Miller joined National Supply on September 11, 1922. He was promoted to the position of head inspector a short time later, and was named chief inspector in 1934.

He was first reader in the First Church of Christ, Scientist, here for three years, and is at present junior past reader.

Several residents of Walteria have been involved in recent traffic accidents at the intersection of Newton street and Pacific Coast Highway. We hope that these mishaps will help residents to obtain lights at this danger spot. We wish to encourage special caution in negotiating this intersection at Newton street as long as no lights are established there.

The long-legged bird has made some more trips to our community. Mr. and Mrs. Sam Paulo, Neece avenue, were parents of a new daughter, born Friday, June 22, at the San Pedro Hospital. The Robert Ziskes of Adolph street are proud parents of a son born Sunday, June 24, at the San Pedro Hospital. He weighed eight pounds. May we extend congratulations to both of these couples.

Mr. and Mrs. Paul Bowen and daughters Sandy and Janice went to an all day picnic held by the Texaco Oil Company on Saturday, June 23. All of them had a good time, especially the two children, since there were free merry-go-round rides and other concessions for the little folk.

Mrs. Evaline Pickett, Newton street, accompanied by Mrs. Wida Pickett, Hawthorne boulevard, are spending a week in San Francisco visiting relatives.

Mr. and Mrs. B. C. Riggs, Park St., left Sunday, June 24, for a three week's vacation with friends and relatives in the Ozark Mountains, Arkansas and Missouri.

Mr. and Mrs. Kendall Baker and family of Adolph street returned Saturday, June 23, after a very pleasant week at Catalina

been the assistant chief inspector for a short time before his appointment.

Nelson has been with National since 1946.
